Dear Valued Customer,

Reservations for camping season of 2023 will start on **March 1st** for any campers who are wanting to reserve a campsite for **60 consecutive days or more**. Starting at 8am on March 1st, anyone wishing to reserve a campsite for 60 consecutive days or more may start calling the Ruth Rec Campground at 707-574-6196. We will not be taking reservations online or in person at the Campground. Early reservations are still first come first serve via phone only. Please plan accordingly, as **NO REFUNDS will be issued to early reservations that are booked prior to March 13, 2023.** In addition, there will be a limited number of campsites available for long term reservations. At Ruth Rec Campground, long term reservations will be capped at 75% of the campground allowing others to make reservations starting March 13, 2023.

Starting **March 13, 2023**, all other reservations will be starting at 8am via phone. We are working on making online reservations available. Please check our website prior to March 13, 2023, to see if the system has been activated. We expect a high call volume on March 1st and March 13th, so please be patient and keep calling if you cannot get through immediately.

Thank you and we hope you have a wonderful camping season! If you have any questions regarding reservations, please call or email ruthlakecampground@yahoo.com.
